

THE PERFECT
ANSWER
TO A
STICKY
PROBLEM

Boðtækni

THE UNIQUE, MODULAR
DESIGN OF THE NEW TRIARC
MEDICAL LABEL DISPENSER
GIVES YOU MORE FLEXIBILITY
TO CONFIGURE YOUR LABEL
BANK EXACTLY THE WAY
YOU NEED IT TO BE

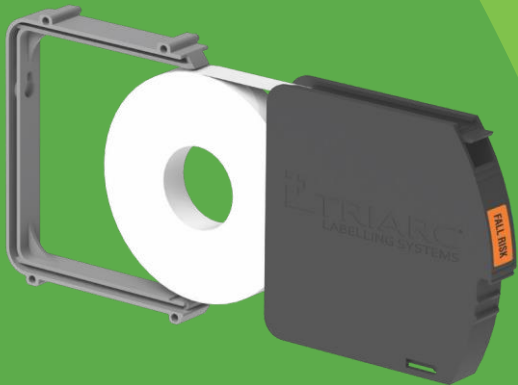

CUSTOMISE

Interchangeable inserts allow you to customise each dispenser for any width of label.

Dispenser widths start at 15mm and go up in 10mm increments to 105mm+.

DISPENSES ALMOST ANY SHAPE,
THICKNESS, OR TYPE OF MATERIAL,
INCLUDING PAPER, VINYL, SYNTHETICS
AND RADIANTS

EASY RELOADING EASY IDENTIFICATION

The label roll is contained within a cassette module that slides in and out for easy reloading.

An external label display panel allows quick and easy identification of the label you need.

TWO WAY LABEL THREAD

Choose Auto Peel, or Tear and Peel
if you need to write on the label
before applying it.

Auto Peel

Tear and Peel

WHERE THERE'S SAFETY IN LABELS

For more than 25 years, Triarc has been the specialist in patient safety through the development and supply of labelling systems for the medical industries in New Zealand, Australia and many other countries. Our patented dispensing system is designed to accommodate our range of more than 3000 labels, including drug and anaesthesia labels certified for AS/NZS 4375:1996 and National Recommendation labels.

BIGGER ROLLS

Increased dimensions allow for bigger rolls up to 110mm diameter.

PRESS FIT

Wall mounted or free standing, Triarc dispensers fit together horizontally or vertically to form a label bank.

STACK
MOUNT
